Q9. Specifications for mounting do not mention or distinguish a powered dock with port replication from a simple cradle designed to hold the computer in mounting only. Is a powered dock with port replication required? If so, computer's make a model would be necessary to provide proper dock and mounting.

A9. Powered dock should be matched with the model computer to be supplied.

Q10. Will the city disclose the preferred computer manufacturer from which these specifications are drawn?

A10. NO

All other terms and conditions of this bid remain unchanged.

PLEASE ENSURE THAT YOU ACKNOWLEDGE THIS ADDENDUM ON YOUR BID FORM.

Thank you.
